MODEL OF CONTEXTUALIZATION

(Paul Hiebert, "The Gospel in Human Contexts: Changing Perspectives of Contextualization")

- > **No contextualization** - Rejects the notion that culture shapes how one receives and practices Christianity.
- > **Minimal contextualization** - Acknowledges the reality of cultural distinctives, but seeks to limit cultural adaptation as much as possible.
- > **Uncritical contextualization** - Tends to prioritize culture over the gospel.
- > **Critical contextualization** - Seeks a balanced approach.
