## Biblical Hermeneutics

Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of truth.

David L. Barr states there are three obstacles that stand in the way of correctly interpreting the biblical message. We speak a different language, we live approximately two millennia later, and we bring different expectations to the text. Additionally, Barr suggests that we approach the reading of the Bible with significantly different literary expectations than those in reading other forms of literature and writing.
