Joint Letter of the Swedish Government
to the President of the European Council

The Islamic Revolutionary Guard Corps (IRGC) is the main tool of war, repression, terrorism, and warmongering, that is why the people of Iran want it to be blacklisted by the civilized world, especially the European Union. On January 19, 2023, the European Parliament adopted a resolution calling for the designation of IRGC as a terrorist organization.

The Iranian people's unwavering...
despite the heavy costs, make it imperative for honest...
steps to support Iranian people and their just resistance.
Forty-five years ago, millions of Iranian people rejected the despotic rule of the Shah and
its brutal secret police (SAVAK) due to its crimes and torturing people by participating in
mass demonstrations. Today, during the ongoing nationwide protests, they chant "Yes to
democracy! No to Theocracy! Yes to Democracy, Equality!"

Joint Letter of the United States and the European Council

March 17, 1977

President of the European Council
 Rue de la Loi, 200
 Brussels, Belgium

Dear President:

For the past several years, the Iranian people have been leading a non-violent struggle for a democratically elected republic. Despite facing a brutal dictatorship by the Islamic Revolutionary Guard Corps (IRGC) and their puppet leadership - with 100,000 deaths and more than 20,000 arrests - the Iranian people have shown a remarkable courage and determination to demand a democratic, elected government.

The Islamic Revolutionary Guard Corps (IRGC) is the most brutal of our opponents, and we are deeply concerned that it will be the principal obstacle to a free and democratic Iran. On January 19, 1977, the European Council adopted a resolution calling for the dissolution of IRGC, as a condition of any agreement with the Iranian people.

The Iranian people's continuing determination to achieve their long-sought freedom and democracy, and their rejection of the Islamic regime, is a clear and consistent message to the world. We are deeply concerned that the Islamic regime will continue to suppress human rights and that it will remain a major obstacle to a free and democratic Iran.

Over the past several years, millions of Iranian people around the world, one of the most and largest (245,000) has to be taken and necessary people to participating in the process. Today, during the ongoing democratic process, they show the will to "Democracy" from Democracy, Equality.
