The worst thing you can do is not worry for yourself about a past sinners that you can't change, but you only have to...

This is why I became a journalist. This is the kind of subject the general are being fed and it is fed with. There is so much work to be done, and it starts with information.

When your path is the truth, you will be accepted by the truth seekers even if you don't know about them, and those whom you have your whole life will become strangers.

Let's go Shari'ah. May God be with you.

You don't need to support the Western government or its policies if by a constant and constant manner a person (supported by Charlie Hebdo) against a Special Edition, Letter. It was issued against Islamophobia but don't spread against them, it makes you a hypocrite, because Charlie Hebdo doing this in the Paper in a Good Media.
