# United States Senate

WASHINGTON, DC 20510

August 18, 2023

The Honorable Antony Blinken  
Secretary of State  
U.S. Department of State  
2001 E Street N.W.  
Washington, D.C. 20520

The Honorable Janet Yellen  
Secretary of the Treasury  
U.S. Department of the Treasury  
1500 Pennsylvania Avenue N.W.  
Washington, D.C. 20530

Dear Secretaries Blinken and Yellen:

We write to express significant concern over the administration's decision to release approximately 40 million in frozen assets to the Islamic Republic of Iran in exchange for the release of five American detainees. While we firmly believe the United States must use every appropriate measure to ensure the release of American citizens wrongfully detained overseas, this decision will restrict an incredibly dangerous precedent and will enable the Iranian regime to increase its destabilizing activities across the Middle East.

When the Obama administration released 1000 million in frozen assets to Iran in 2016, we warned that this dangerous precedent would put a price on American lives. Not one year later, the current administration is putting a ransom payment worth at least 40 million more than amount to the world's largest state system of taxes, in yet another violation of the United States' longstanding "no concessions" policy.<sup>1</sup> In the release of Executive Order 13696 on July 19, 2022, the White House admitted that "terrorist organizations, criminal groups, and other entities who take hostages for financial, political, or other gain—as well as foreign states that engage in the practice of wrongful detention, including for political leverage or to seek concessions from the United States—threaten the integrity of the international financial system and the safety of United States nationals and other persons abroad."<sup>2</sup> The release of such a significant sum to the Iranian regime runs directly counter to that claim and will only serve to encourage additional hostage taking for financial or political gain.

We are also worried that your administration is attempting to sidestep Congress and pursue other policies to increase the Iranian regime's leverage and to increase its ability to destabilize the region.
