ACADEMIC

A TWO-WAY BRIDGE

NOTE: The bridge concept is drawn from John Stott's book, *Between Two Worlds: The Challenge of Preaching Today*, 1982.

- **Biblical contextualization** is the deliberate action of bringing biblical truth all the way "over the bridge" by communicating it in terms which connect accurately to a specific context or culture.
- **Some in the Christian community** see the communicating of the biblical truth as a "one-way bridge".
- **The resolution:** Permit the flow of communication to be a "two-way street".
