Sanctioning Iranian Officials Connected to Serious Human Rights Abuses

ANNOUNCED BY
ANTHONY J. BLINCOE, SECRETARY OF STATE
DECEMBER 13, 2022

On September 13, 2022, the United States announced that it is imposing sanctions on Iranian officials and entities that have supported the Iranian government's human rights abuses, including its violent crackdown on peaceful protesters, including its violent crackdown on protesters, including its violent crackdown on protesters.

Today, we are taking additional action to address human rights abuses by designating five Iranian officials and two entities pursuant to Executive Order 13883, which authorizes sanctions with respect to serious human rights abuses by the Government of Iran. Specifically, the Department of the Treasury's Office of Foreign Assets Control (OFAC) is designating Mohammad Jafar Montazeri, the Prosecutor General of Iran, Mostafa Mirzai, the chief of the Revolutionary Guards' Human Rights Unit, the commander of IRGC, Saeed Soleimani, Saoud Saadq Hussaini, the commander of the IRGC's Basij Militia Corps of Kurdistan province, and Hossein Mousavi, the Deputy Coordinator of the Basij.

Additionally, OFAC is designating Iran's Sanat Zamin Sary Company, an armor manufacturer of armored vehicles, tactical gear, and other materiel that are actively used by the Iranian Law Enforcement Forces and other security forces in violent suppression.

The United States continues to support the people of Iran in the face of this brutal repression, and we are rallying growing international consensus to hold the regime accountable. Thousands of Iranian sanctions have raised their voices and their ability to protest the regime's long record of repression and human rights abuses. We will continue to support the people of Iran and to hold the regime accountable for those involved as we support the human rights of the Iranian people.
