HAARETZ

Intelligence Minister Omer Gabbriel's decision to invite Reza Koreschi Ali Pahlavi was puzzling. This wasn't a diplomatic move but political propaganda.

And it wasn't just an ordinary invitation. Pahlavi was invited for attended the main memorial in Netanyahu and leaders also met with him. The only way to understand this decision is to look at the context. That the intelligence minister invited him was not a performance. It was a message. The invitation was a signal to the Iranian leadership. It was a message that the Iranian leadership should be aware of. It was a message that the Iranian leadership should be aware of.
