### Defining Hermeneutics

"Hermeneutics describes the task of explaining the meaning of the Scriptures." - Klein, Blomberg, and Hubbard, Jr

It is a science because it provides an orderly, logical set of rules and principles to interpretation.

It is an art because it requires imagination and nuance to understanding words in context that rigid rules can cause problems.

It is Spiritual (inspired by the Holy Spirit)

Inspired text + Spirit-filled reader = led to Truth of the message generally communicated. It does NOT = Always being right in exegesis, interpretation, understanding, application, etc.

guides to Truth. Disciples study to show themselves approved
