While Senate Debates MI MF, Iran Keeps Killing and Wounding Americans

Iran has come under extremely heavy influence and manipulation from the Iranian Revolutionary Guard Corps has spent years standing up political parties, militias and terrorist groups in Iraq whose chief loyalty is to Tehran. One such militia in Iraq who have spent two decades targeting and killing Americans in the Middle East would be delighted to see America dial down its military presence, withdraw Iraq, and withdraw its flag.

There is a need to push us out of Iraq and Syria. Why should Congress move that capital? While the Senate has been engaged in this abstract, theoretical debate about making the American people Iran has continued its deadly assault on us. And last week a

After a small initial response from the Biden Administration, Iran launched yet more attacks over the weekend, aimed at killing even more Americans. Our President's response to this escalation seems to have been to pull his punches and let Tehran have

U.S. DEPARTMENT OF THE TREASURY

HOME NEWS PRESS RELEASES

Action taken in Coordination with the United Kingdom

WASHINGTON — Today, the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC)

also highlight the important role of Lebanese drug traffickers — some of whom maintain ties to Hezbollah — in facilitating the export of Captagon.

This action also underscores the al-Assad family dominance of illicit Captagon trafficking and its funding for the oppressive Syrian regime.
