An overall 42 percent of the US public would favor using US troops to defend Israel if it were attacked by Iran (56% oppose). While a slim majority of Republicans would favor US forces defending Israel in this scenario (53%), only four in 10 Independents (42%) and third of Democrats (34%) agree.

Fewer Now Would Favor US Defense of Israel if Its Neighbors Attack

The unrelenting Israeli attacks against Gaza have likely dampened American willingness to defend Israel, especially among Democrats. In addition, the narrow majority that previously supported using US troops to defend Israel if attacked by a neighboring country has now dissipated to 41 percent (55% oppose). Here too, Republicans are more likely than other partisans to favor using US troops (55%), but at much lower levels than 2015 through 2021 readings. A third of Independents (35%) and Democrats (35%) would favor using US troops to defend Israel if its neighbors attacked, also lower than previous levels.

Support for Using US Troops to Defend Israel

Would you favor or oppose the use of US troops, if Israel were attacked by its neighbors (% favor)

Fewer Now Would Favor US Defense of Israel if Its Neighbors Attack

The overwhelming Israeli attacks against Gaza have taken a toll on American support for Israel's right to defend itself, especially among Democrats. In addition, the number of Americans who favor the use of U.S. troops to defend Israel if attacked by a neighboring country has also declined to 41 percent, down from 50 percent, according to a new Pew Research Center survey. The survey also found that support for U.S. troops to defend Israel has declined since 2008 through 2020 readings. A share of independent (43%) and Democratic (55%) respondents favor using U.S. troops to defend Israel if its neighbors attacked, down from their previous levels.

Support for Using US Troops to Defend Israel

How many Americans support the use of U.S. troops if Israel were attacked by its neighbors? (Israel)
