MAJOR MODELS

RELEVANCE MODEL

Adherents hold to the view that **God is working** in redemptive ways within cultural beliefs, patterns, and actions that have no connection with biblical Christianity.

- Christ is at work **in those perspectives** that call for world unity, self-denial, concern for the common good, and political justice.
- Believe that **God continues** to do new works in history and culture.
- Tends to be **optimistic** regarding cultural trends.
